MEMORANDUM FOR: Deputy Director (Science and Technology)

SUBJECT: Proposed Contract with [redacted]

25X1A

1. This memorandum transmits a recommendation for approval. Such recommendation is contained in Paragraph 4.
2. The Assistant Directors for ELINT and Special Activities have completed preliminary research incident to the activation of project [redacted] This project involves [redacted]
[redacted]
3. Money resources are not available within the approved OEL operating budget to finance this program. While I concur in the need for the development of the proposed equipment, I am reluctant to allocate OEL resources for this purpose unless assurance is given that an increase of funding authority will be forthcoming at a later date. By direction of the Deputy Director, Science and Technology, my Staff prepared all necessary paper work to transfer \$65, 000 to OSA to consummate the contract. This action is being taken with the understanding that funds so expended will be reallocated to OEL in the form of an increase in spending authority prior to the close of FY-64.
